

Estamos Contigo - We're With You

Contigo Fund, an initiative of Our Fund Foundation, launched in response to the tragic event that occurred on Latin Night at Pulse nightclub in Orlando targeting LGBTQ people of color. Contigo Fund offers financial support to organizations - both existing agencies and emerging grassroots efforts - working to heal, educate and empower these Pulse-affect communities, particularly LGBTQ and Latinx individuals, immigrants, and people of color, as well as those working to end all forms of bigotry in Orlando and across Central Florida. Contigo Fund's support is focused on medium-term to long-term solutions and efforts at the intersection of LGBTQ equity and racial justice causes.

GRANT PROGRAM APPLICATION 2017-2018

"Contigo" means "with you" in Spanish. For all those affected by the Pulse tragedy -whether physically present at the club or otherwise- we want them to know: Estamos Contigo - We're With You.

About Contigo Fund: Partners, Principles, and Goals

The *Contigo Fund* partnered with a national coalition of foundations who joined forces in a show of unity and compassion by pooling their resources to support the community in its time of greatest need. Together, it was understood that we could make a greater, lasting, and transformative impact on that community. The *Contigo Fund* is made possible by the funding and leadership of the following contributing partners:

- Ford Foundation
- Open Society Foundations
- W.K. Kellogg Foundation
- Arcus Foundation
- Annie E. Casey Foundation
- Robert Wood Johnson Foundation
- Executives' Alliance to Expand Opportunities for Boys and Men of Color
- Our Fund Foundation

The *Contigo Fund* is guided by the following principles:

- We honor the **identities and lived experiences** of those taken from us. Nearly half of the Pulse victims were Puerto Rican. Many others were Cuban, Dominican, Ecuadorian, Mexican, Salvadoran, Venezuelan, and from other Latinx and African diaspora backgrounds. Some were undocumented. Over half were under 30, with the youngest victim being just 18 years old.

Estamos Contigo - We're With You

- We recognize that the **LGBTQ Latinx community and other communities of color** face significant disparities shaped by longstanding institutional inequalities. The Fund will work to address these disparities.
- We trust that transformative and lasting change can occur if communities unify. The fund seeks to **build bridges** across Central Florida's diverse communities and to **raise awareness** of homophobia, transphobia, Islamophobia, racism, and other forms of bigotry that divide our communities.

Based on the principles, the *Contigo Fund* has three main goals:

1. Support the efforts of those that were predominantly impacted by the Pulse tragedy, including advancing LGBTQ and Latinx causes and particularly efforts led by and for the LGBTQ Latinx community.
2. Strengthen Central Florida by building bridges among its diverse and marginalized communities, including connecting the LGBTQ and Latinx communities and supporting efforts to unify those communities with the Black, Muslim, and immigrant community.
3. Address the ripple effects of the Pulse tragedy, particularly involving issues of Islamophobia, xenophobia, and racism.

Who Is Eligible to Apply

The *Contigo Fund* seeks proposals for efforts based in Orlando and across Central Florida supporting communities directly or deeply impacted by the Pulse tragedy:

- Proposals welcomed by existing and emerging leaders, groups, organizations, and coalitions should address medium-term to long-term solutions to help grow and sustain capacity and forward movement to empower LGBTQ and Latinx, immigrant, and people of color communities, particularly the people living at the intersection of those marginalized identities.
- Groups do not need to be a 501(c)(3) tax exempt status to apply. Those lacking 501(c)(3) status can apply under the auspices of an established 501(c)(3) and a letter from the non-profit agreeing to the fiscal sponsor relationship is required along with any request for grants. If your group does not yet have a fiscal sponsor, contact the *Contigo Fund* program director for help connecting with potential sponsors.
- Preference will be given to organizations with expenses of less than \$1 million.
- Regardless of their structure or age, applicant's proposal should be able to demonstrate their potential for advancing the three main goals of *Contigo Fund*.
- Preference is given to projects and programs that respond to an unmet need in the community.

Estamos Contigo - We're With You

- Applicants are required to be a part of a learning community and will be asked to participate with other community leaders, including convenings, leadership and organizational development trainings, and peer learning opportunities. Travel and other costs of trainings will be covered by the *Contigo Fund* and applicant core staff and board or advisory committee member should be prepared to devote appropriate time and thought to participating actively in these opportunities.

What We'll Fund

To advance its goals, *Contigo Fund* will fund organizations to do several types of activities. Organizations may apply for support for one or more of the following:

Healing and empowerment: Projects that provide opportunities for healing for the communities directly or most impacted by the Pulse tragedy, including peer-led support groups, community organizing, and other programs that focus not only on providing culturally and linguistically competent services but on empowering community members.

Leadership development: Projects that promote leadership development, including popular education and grassroots trainings and skills building, among communities most affected by the Pulse tragedy.

Work led by women/trans/gender-expansive/intersex leaders and youth: Projects that center and are led by women of color, transgender, queer, gender expansive, and/or intersex leaders and youth.

Bridge-building: Projects that create opportunities for meaningful connection and mutual learning among Central Florida's diverse communities, especially between LGBTQ, Latinx, Muslim, Immigrant, and Black communities.

Racial, social, and gender justice-focused: Projects that raise awareness to address homophobia, transphobia, patriarchy, gender inequity or inequality, gender-based violence, Islamophobia, xenophobia, racism, and/or other forms of bigotry.

Grants will not be awarded to projects and programs which:

- Are outside of Central Florida
- Promote legislative or political advocacy

How Proposals Will be Evaluated

Proposals will be evaluated by the Grants Committee based on several key criteria:

Demonstrate community leadership & accountability: Projects are led by and in partnership with the Pulse-affected communities they support and are responsive and accountable to those communities.

Estamos Contigo - We're With You

Fill a gap in the community: Projects respond to a unique need within the community that existing institutions historically have not or currently are not adequately addressing following the Pulse tragedy and solution will be long lasting.

Collaborate: Applicants must form strategic partnerships and work in coalition with other grantees.

Demonstrate institutional commitment: Applicants must show evidence of their commitment to support LGBTQ people of color communities, including nondiscrimination policies that include sexual orientation and gender identity and past institutional support for addressing issues affecting a diversity of LGBTQ communities.

Have clear goals: Proposal outlines a plan that is well thought out with clear goals, outcomes, and strategies.

Who Makes Grant Decisions

A top priority for Contigo Fund was creating an accountable and transparent grant distribution process led by the local community. To accomplish this, Our Fund Foundation determined that they would identify and recruit a Grant Committee to guide the distribution of the grants and that it would be made up of leaders from the local community and principally include those from the predominantly impacted community of the Pulse tragedy. For more information, please visit: <http://contigofund.org/en/leadership/>

Estamos Contigo - We're With You

The Contigo Fund Grant Committee is composed of:

12 leaders; more than 50% are LGBTQ Latinx-identified individuals; at least 25% are not formally affiliated with existing nonprofits or foundations; 100% are from the local community.

All Grant Committee members agree to a conflict of interest agreement, including conflicts arising from employment, financial benefit, personal relationships, professional relationships or other interests. If applicable, any one condition may serve to disqualify a reviewer from participating in the review of an application or proposal. A conflict of interest may be real or apparent.
